MIŻIEN Claim Check 129 · Air quality, Malta

Malta’s air pollution programme

The Commission's July 2025 statement, checked against the Directive

THE CLAIM

“To date, these Member States have not submitted to the Commission the required updates.”

European Commission, July infringements package, 17 July 2025

Letters of formal notice to six Member States (Malta: INFR(2025)2088).

A letter of formal notice is a first step, not a ruling.

VERDICT

LARGELY SUPPORTED

Case and legal duty confirmed; submission record not seen.

SUPPORTED | **LARGELY SUPPORTED** | NOT SUBSTANTIATED | MISLEADING | CONTRADICTED

MAIN RESULTS

INFR

The case exists

Malta is named with INFR(2025)2088 in the Commission's own text.

4 yrs

The duty

Directive 2016/2284 Art. 6(3): update at least every four years; first due 1 April 2019.

16–27

Months late

At the notice, from 16.5 months (March 2020 version) to 27.5 months (1 April 2023).

Jun 2026

Draft update

A draft revised programme went to consultation, per Malta News Agency (second-hand).

?

Not seen

The Commission's record of what Malta submitted could not be opened.

FAIR TO SAY

This is about a missing update, not about how clean Malta's air is. Other checks cover air quality.

WHAT WOULD SETTLE IT

- ☐ ERA/Commission: date of the latest submission.
- ☐ ERA: publish the 2026 draft's submission date.
- ☐ See CC-034 and CC-035 on air quality.
- ☐ Notice is not a court finding.
