Did Malta miss the renovation-plan deadline?

A Commission infringement notice, checked against the Commission's own pages

THE CLAIM

"…Malta (INFR(2026)2027)… failed to submit their draft National Building Renovation Plan… by the deadline of 31 Decembe

European Commission, March infringements package, 12 March 2026

The Commission gave the 19 Member States two months to respond.

The Commission's notice states its view; a letter of formal notice is a first step, not a ruling.

Not confirmed either way; the register may lag.

FAIR TO SAY

This is a reporting deadline, not a measure of how many buildings Malta has renovated.

WHAT WOULD SETTLE IT

- ☐ Whether Malta has submitted its draft plan.
- ☐ The Commission's register entry for INFR(2026)2027.
- ☐ The date of Malta's public consultation, if held.
